NOTES

Monitoring of the Kava Pilot

The Department of Health has commissioned the National Drug and Alcohol Research Centre (NDARC) and Ninti One Limited, to monitor and evaluate the kava pilot in Australia. Please note that NDARC may invite you to participate in the evaluation during the pilot period. Participation is optional.

PHAMA Plus

To understand the socio-economic impact of Australia's commercial kava pilot on kava growers, processors, exporters and government agencies in the participating Pacific Island Countries, the Pacific Horticultural Agricultural Market Access program (PHAMA Plus) requests the support of stakeholders participating in the pilot to share information on the kava trade between the Pacific Islands and Australia:
