

SECTION 5 Security details module

Application for a licence under the Narcotic Drugs Act 1967

Important notice

This module forms one of a series of specific parts making up an application for a licence under the *Narcotic Drugs Act 1967*. This module must be attached and submitted along with all other parts in order to form a materially complete application.

Information required

This module requests information relating to security details being requirements to be met in order for the grant of a licence to be considered. You will be asked to explain the security measures and then provide the documents used by your business to ensure this outcome is achieved.

Security details

Information on security requirements can be found on the Office of Drug Control website at www.odc.gov.au.

5.1 Explain the measures that will be in place to prevent unauthorised access to the location, premises or facilities where the activities will be undertaken.
